

Remarks

The Office Action mailed August 4, 2005 indicated Claims 1-19 and 34-64 as allowable, and rejected Claims 20-33 and 65 for lacking a clear and proper antecedent basis within the claims for the claim phrase "said surveillance system." The foregoing amendments to Claims 20 and 65 are submitted to correct this minor technicality.

The Applicant submits that by this amendment, he has placed the case in condition for immediate allowance and such action is respectfully requested. However, if any issue remains unresolved, Applicant's attorney would welcome the opportunity for a telephone interview to expedite allowance and issue.

Respectfully submitted,

Edward W. Rilee
